## SUMMARY

Enthusiastic and dedicated individual currently in the final year of a bachelor's degree in Islamiyat and Arabic, with a strong foundation in SEO and generative AI. Experienced in teaching English at a local language center, demonstrating excellent communication and instructional skills. Committed to applying a diverse skill set in sales and call center roles, with a proven ability to adapt and learn quickly.

## SKILLS

- Cultural and Linguistic Proficiency
- proficiency in English Language
- Generative AI
- SEO
- Excellent in Verbal and written in English

## EDUCATION

### Bachelors of Arts

Bachelors of Arts in Islamiyat and Arabic from Tanzeem ul madaris (2024)

### GENERATIVE AI

I am learning AI generative from GOVERNOR HOUSE

### OTHERS

I have done matric in Science (2021) and Intermediate in commerce (2023) & I've done SEO course 2023

## WORK EXPERIENCE

### English Communication Skills

- Teaching Assistant [2022 – Present]
- Developed and delivered English language lessons to students of various proficiency levels.
- While I am at the early stage of my career, my educational background and practical experiences have prepared me well for roles in sales and call centers. As an English language teacher at a local center, I have developed strong communication and interpersonal skills, effectively engaging with diverse individuals and tailoring my approach to meet their needs. My studies in Generative AI and completion of an SEO course have provided me with a solid understanding of technology and digital strategies, enhancing my problem-solving and analytical abilities.
